19th January 2024

Dear Families,

The end to the week has been a joyous occasion as we celebrated our annual Culture Day at The Stockwood Park Academy, which we do in all the schools within the Shared Learning Trust. It was wonderful to see so many students and staff get involved, and the smiles and laughter told their own stories. We had music, food, dancing and a real sense of community. In the words of one Year 8 students, "O.M.G Sir! That was like 100 times better than last year, it was so good!" Thank you to all those who got involved and helped to organise the event, especially students and staff who are part of the RACE Charter group.

It was lovely to see so many families attend the Year 9 Options/Parents evening – we had a huge turnout and I know students are busy thinking about the subjects they want to pick for their GCSEs. We had many Year 11 students out for their Geography field trip this week – the weather wasn't ideal, but I am sure the experience and knowledge will support them in achieving a great result in the summer exams.

Please note that the Sixth Form Open Evening is taking place on Thursday 25th January 2024 at TSPA from 5pm-7pm. We are proud of our 6th Form and our most recent OFSTED inspection judged 6th Form "Good." Mr Sudbery, Vice Principal, will outline the fantastic provision our Sixth form provides and you will hear from our students too.

"Students in the sixth form treat each other with tolerance and respect. Programmes of study are structured and taught well. Students are prepared for the next steps in their education and training. As a result, student in the sixth form achieve well."

THE SIXTH FORM

- Smaller teaching classes
- Personalised curriculum
- Every student treated like an individual
- Excellent private study facilities
- Leadership development opportunities
- First class specialist facilities in science, ICT, media, arts and sports
- A wide range of exciting enrichment opportunities

Visit our website!

Thank you to all our families for your support. The revision sessions we have held for Year 11 have been very successful so far with over 95% attendance for targeted students. We work in partnership with you to ensure your child reaches their potential.

Finally, thank you to parents who attended a coffee morning with me earlier this week. It was great to hear your feedback – I know there are lots of things we are getting right, but also a few areas we need to improve. I was able to take parents on a brief tour – sometimes what you hear about a school is very different to the reality. I am proud of the students and staff at TSPA, and whenever visitors come in they comment on the calm environment, the quality of teaching and the positive relationships staff have with students.

Thank you for your support,

Mr Humayun
Principal
