22<sup>nd</sup> September 2023

Dear Families,

It has been an action packed week at TSPA – students have now settled into our routines and we are seeing real engagement and learning taking place in classrooms. My highlight is doing lesson visits and students eager to show me the work they have produced – I think it is important that our young people take pride in their achievements.

A huge thank you to families who attended our Year 7 welcome evening. The success of our young people is dependent on the quality of the relationship between home and school. The evening was an opportunity for me to outline our vision and values, but more importantly to meet the form tutors. Your children spend nearly 30 minutes a day with their form tutor – they are the first port of call and play a key role in the pastoral support programme at TSPA.

Mr Ali was busy this week taking lots of videos and films in preparation for the Open Evening on Tuesday 3<sup>rd</sup> October – please spread the word to friends and family who have children in primary schools. Whether they are in Year 6, 5 or 4, it is never too early to start looking at prospective secondary schools and I am proud of what we have to offer.

Some of our senior students organised a samosa and pakora sale to raise money for the victims of the recent tragedies in Morocco and Libya. They managed to raise over £270 in a single lunch, displaying one of our key values #compassion. The only problem? We completely sold out, so we should've purchased more food!

One parent left this message for us: *"And this is why I love TSPA so much. So much more than just a place of learning. The relationships built with the students and their families means so much to so many."*

I would encourage families to visit the Academy for a tour to find out what makes this place so special. As always, if there are any issues/feedback/concerns you would like to raise, please do not hesitate to contact us.

Thank you.

Mr Humayun

Principal
