10th November 2023

Dear Families,

It has been another busy week at TSPA, which included our Remembrance Day ceremony attended by over 1000 of our students today. It was an opportunity to remember the service and sacrifice of all those that have defended our freedom and protected our way of life. We expanded our activities today to ensure as many students as possible could take part.

We have also had a number of trips out this week, including a reward trip to Whipsnade Zoo for a group of Year 7 students. We have significantly increased the number of trips and visits that take place, including guests coming into the Academy. In addition to a curriculum that is knowledge rich, I want to ensure that all the students at TSPA have the same opportunities offered to them as any other young person in this country.

With the temperature dropping, please ensure your child has a suitable coat/jacket. We have seen hoodies making an unwelcome appearance – these will be confiscated because they are not part of school uniform. As always, if any parent/carer needs support, please speak to us.

I also wanted to highlight the positive behaviours and attitudes consistently displayed by students in lessons this year, with lessons now disruption-free. We have been very clear to students about what is expected and I am proud to say that students have risen to our high expectations. They really are a wonderful bunch.

Thank you for trusting us with the education of your children. Please be assured that the adults in the building want the very best for your children – that's why we came into the profession. I know I can continue to rely on your support moving forward.

Thank you.

Mr Humayun

Principal
