Principal's Message

Dear Families,

We have made a positive start to the term after the week off. Year 11 students have shown fantastic commitment to their trial exams with a real positive mindset. I communicated my messages to students at the start of the week via a loom video. This included the following:

- We have renovated the safeguarding and wellbeing space which means students have another wonderful resource.
- Significant numbers of Year 11 students came in for additional sessions during half-term to help prepare for their exams
- Over 60 desks were repaired and replaced by the Site Team, as many had suffered from over 10 years of wear and tear
- Over 150 thank-you cards and chocolate bars were distributed before half term to students who regularly display our values (#excellence #responsibility #compassion)
- A reminder about mobile phones (we are a phone free school – they should be switched off and out of sight throughout the whole school day)
- We are having a big focus on stamping out derogatory language. All forms of discriminatory language (including sexist, racist, homophobic, Islamophobic & anti-Semitic will always be challenged)

Thank you for your continued support,
Mr Humayun
Principal

Many Year 9 students had their vaccinations in school this week, and some of Year 8 were lucky to watch a French play in the theatre. In addition, we have many exciting events to look forward to:

Monday 4th – 9th March	National Careers Week – this will involve workshops, assemblies and presentations for all year groups
Tuesday 5th March	We are launching an exciting 'super curricular' Scholars Programme which empowers high achieving students throughout their journey in secondary education. We are looking forward to seeing invited families on Tuesday.
Thursday 7th and Friday 8th March	The nationally renowned and acclaimed company Humanutopia will be working with Year 8 on supporting mental health and wellbeing.
Thursday 7th March	World Book Day – this annual celebration of authors, illustrators, books and the joy of reading is one of the highlights of our year at TSPA!
Friday 8th March	International Woman's Day ("Inspiring Inclusion") – lunchtime activities will include boys' workshops and a female empowerment party
Thursday 21st March	3rd Annual Iftar event

Year 7

Mr Poole

• In the last week before half term 18 students were selected to join Mr Poole's just fantastic form group. These students were provided with discussions to support them making positive choices around the academy. From this it was great to see a real improvement in their behaviour attendance and demeanour in the academy.

• This week some of the Year 7 students started attending Swimming Lessons at the Inspire Sport Centre, the students have thoroughly enjoyed themselves and made a good head start.

Year 8

Miss Miller

Welcome back, and we hope you had a lovely half-term break. We are now in Term 4 for Year 8, and it's crazy how quickly the weeks and months have passed! During our Year Group's Assembly before the half-term break, I emphasized the unwaveringly high expectations set for all students in the academy. It's crucial that we maintain these standards, which are non-negotiable. Regrettably, there has been a slight dip in conduct within the year group. I urge you to communicate to your children some key expectations within the Academy.

A gentle reminder about our uniform policy. This includes wearing the Stockwood Park Blazer, a white shirt, grey trousers/skirt, the year group tie, and plain black leather shoes. While students are allowed one stud earring in each ear, please be aware that any other jewellery is not permitted.

On PE days, students are required to wear the TSPA PE top, plain black shorts/jogging bottoms, and their TSPA blazer. Hoodies are not to be worn during the school day, including break and lunch times. Coats should only be worn in outdoor areas, not inside the academy.

Punctuality is crucial for lessons and arriving promptly to school. Our school values - Responsibility, Compassion, and Excellence - form the core of our actions both inside and outside the classroom. Encourage our students to live out these values, creating an environment where everyone can thrive.

Exciting news about a Rewards Trip to Thorpe Park scheduled for 26th April 2024! To qualify, students must meet specific criteria over a 6-week period starting from 5th February to 22nd March 2024.

Requirements include:

- 100% attendance,
- no more than 5 Behaviour Points,
- and more than 16 Achievement Points.

Let's motivate our students to collect achievement points by actively participating in lessons, maintaining positive behaviour, completing homework assignments, and ensuring regular attendance and living out our School Values.

Additionally, stay tuned for information about an upcoming Year 8 end-of-year trip. Note a change in the date for Year 8's Parent Consultation Evening, now rescheduled to 23rd April 2024, from the initial date of 13th February 2024. For progress inquiries, feel free to contact reception or reach out directly to the class teacher.

Finally, here are the PE days for each tutor group (We have started seeing students coming in with their PE on Non PE Days)

Tutor Groups 8A, 8B, 8C, 8D, 8E: Week A (Monday and Wednesday)

Tutor Groups 8F, 8G, 8H, 8I, 8J: Week B (Monday, Tuesday, and Thursday)

Year 9

Mr Baker

Dear parents/carers,

Welcome back! I hope you have all had a lovely half-term break, as always it has been great to welcome students back who are raring to crack on again.

In this edition of the Year 9 newsletter I would like to give a special focus to an exciting opportunity we have planned recently; our planned residential trip in July!

As you will already be aware through letters and emails that have been sent out, we have arranged to take Year 9 students to Kingswood Staffordshire for two nights. This idea was planted when some of our students came to me last year, after they saw other year groups getting to stay over on other trips. We have since been working to make this happen, and now we can look forward to this exciting outing!

Facilities for this trip will include:

Outdoors: Adventure apparatus including zipwire and abseiling, archery, bushcraft and a fun and challenging low ropes course

Indoors: Flexible indoor space for all-weather activities including problem-solving and team challenges

Gift shop: Our on-site shop sells snacks and drinks, as well as souvenirs, games and mementos

The final deadline to book on to this trip is **Tuesday 5th March**. To secure a place, a £20 initial payment must be made via Arbor.

The final deadline to book on to this trip is **Tuesday 5th March**. To secure a place, a £20 initial payment must be made via Arbor.

Elsewhere from the trip, our students have been receiving vaccinations over the past two days. Whilst it has been a stressful period for some, I have been very impressed with the way all students have conducted themselves!

Year 10

Mr Emery

Hello,

Welcome to another addition of the Year 10 section of the TSPA newsletter. I hope you and your family had a nice restful week; and I hope everyone is raring to go for another busy term.

Parent Consultation Evening

I would like to thank each and everyone of you who visited the school last Tuesday. I hope you found it as beneficial as the staff to discuss the progress being made in year 10 so far.

Work Experience Placements

The deadline has now passed for students to bring back all the required information for their work experience placements in July. I have had a few parents contact me stating they are waiting for the return of the forms from employers and will this be ok? The answer is, Yes; please have any forms back as quickly as possible so we can check the suitability of each placement.

Year 11 Head Students 2024-25

In assembly this week, we launched the process for those to be elected Head Students. We aim to have the Head Student Team in place before the current Year 11s have finished. The Year 10 Head students will be in position before our current head Students begin their public exams this summer.

Key Information below -

Why?

- An exciting opportunity for two exceptional students to play a role in leading the Student Voice.
- You will jointly chair the School Council making sure that student voice is represented in **key decisions and developments within the academy**.
- You will represent The Stockwood Park Academy and the student body at a variety of public functions during the year, including open evening.

What is expected of me?

- To jointly plan and lead regular meetings with the School Council
- To be internal and external ambassadors for the school and to act as role models for all students
- To report to the **Senior Leadership Team** every half term
- To help organise the year 11 prom and yearbook through the Year 11 action teams
- Promote the TSPA Habits

What qualities does this role need?

- Works well in a team
- Good organisational skills
- Ability to talk confidently and appropriately to students, staff, parents, Trustees and school visitors
- Willingness to get to know the students in the lower years
- Reliable and a role model to others

If you wish to **run for head student** you must provide a formal letter of application (no more than 1 side of A4 paper), addressed to Mr Humayun, Head of School, covering the following:

1. Why you believe you will make a good head student
2. How you have supported The Stockwood Park Academy's Excellence, Responsibility, Compassion
3. How you will continue to demonstrate the TSPA Habits
4. How you will promote yourself as a positive role model for peers and younger students
5. Any exciting and fresh ideas you could bring to the role.

↓
An interview process will follow this where head students and the Year 11 leadership team will be decided.

↓
Deadline for Submission: Friday 8th March 2024 at 4pm

Top Tips:

- ❖ Ask Ms. Newman (HFS) or Mr Emery if you have any questions.
- ❖ Ask a teacher to proof read your letter
- ❖ You can either print your letter or email it to Mr. Humayan.
- ❖ Give it a go – you never know where opportunities like this take you!

Year 11

Miss Crow

Hello and welcome to the year 11 newsletter.

Year 11's have finished their first week off this set of Trial Exams.

Even though it has been a very busy and full on week of full of Exams, I want to congratulate students on how they have conducted themselves upon entry and throughout all exams!

Keep up the great work Year 11's!!

There are only 65 days until the official 2024 Exam season begins!

With this in mind I need to ask for the support of parents and carers at home to encourage and promote attending interventions, completing additional revision at home and using our online tutoring forums with students.

Mock Exams

Please see below the timetable for the second week of trail exams.

Please work with the timetable to support and encourage students in revision. Students need to treat these as real Exams as they hold immense important to a student's academic journey.

	Monday 18th March	Tuesday 19th March	Wednesday 20th March	Thursday 21st March	Friday 22nd March

Intervention

We still have all P0 & P7 interventions on weekly, these intervention programs offer tailored assistance, enabling students to fill knowledge gaps, refine study techniques, and bolster their understanding of key subjects. These initiatives help boost confidence and reduce anxiety, ensuring that students are well-prepared to excel in their exams.

Please encourage students to attend all intervention sessions as these will be vital in the run up to the real exams.

Although we have just come back this term, we are already preparing the intervention timetable for Easter. We will share this with you in the next couple of weeks!

Prom

Reminder that Prom is on the 11th July 2024, we can't wait to celebrate the end of the students 5 years at Stockwood Park and being the class of 2024!

We are already hard at work planning a very exciting and memorable prom for students and we want as many students as possible to attend, so we have extended the deadline to buy tickets for another couple of weeks!

Tickets for prom can be purchased on Arbor.

All the best!!

Sparx Reader

Reading Homework

At TSPA students in Year 7 - 9 are expected to complete careful, independent reading each week as part of their homework.

Reading homework is set via the Sparx Reader platform, by their English teacher, and will be posted on Show My Homework. Students are expected to achieve at least 300 Sparx Reader Points each week, which equates to 30 minutes of careful reading. This is compulsory homework that every child in year 7 – 9 is expected to complete.

Students have been logging on to Sparx Reader for the first time over the last two weeks, during their English lessons.

What is Sparx Reader?

- Sparx Reader is an online platform that supports students to achieve regular, independent, careful reading.
- The platform supports students to improve their reading development.
- Students can choose from a range of ebooks and, as they read, they'll see quick questions to check they're reading carefully.
- Careful readers earn points so they can track their progress and climb the league table!
- There will be rewards for careful readers and those who make good progress!
- Motivated readers who demonstrate consistent, careful reading will unlock Gold Reader, meaning they can read any paper book from the library or from home by scanning in its barcode.

How to access Sparx Reader

Students log into Sparx Reader at <https://sparxreader.com>

Students can either use their Sparx Maths username and password or use the Microsoft button and their TSPA email/password.

Log in to Sparx using Microsoft

Sparx Reader can be accessed by any internet-connected device with a web browser.

Support at TSPA

There are a number of opportunities for students to complete reading during the school day:

The library is open at break and lunch times, and until 4pm after school, Monday – Thursday and until 3.30pm on Fridays.

If you have any questions about reading at TSPA or how to support and encourage your child to read, please do not hesitate to contact your child's English teacher in the first instance.

Support at Home

Sparx Reader adapts to each student's reading level, so it's important that you **don't** help by answering questions for your child. If you help your child, Sparx Reader might think they're a very strong reader and show them books that are too difficult.

The best way to support your child is to ask them about the book they're reading; what aspects they're enjoying, or what characters and events they've recently read about.

French

It's was an exciting day earlier in the week for our students learning French today. TSPA has welcomed two French actors to perform for our lovely year 8s. Read about the play below.

The plot highlighted many similarities with our students' life, but in a humorous and exaggerated manner.

We wanted our students to be able to keep up with the story, sustain their enjoyment and above all boost their confidence. Therefore, an interactive lesson was planned prior to the show. The students were able to understand by watching the action and picking out the French words and phrases. The actors also spoke French and delivered in a manner in which the students were at ease; they could interact.

Hats off to our brilliant year 8s who withheld the TSPA values of excellence, responsibility and compassion.

See some highlight moments in pictures.

What is the play about?

This entertaining comedy play takes place in the art room of a French college.

Five students are attending an Art Club after school. They are given a task by the teacher who leaves them alone in the room.

When one of them goes to leave they realise the door has been locked from the outside and they are trapped in the room on the fourth floor.

Unable to contact anyone they are trapped in the room. Then one by one they start to disappear.

This is a very funny performed by just two actor who play all 5 students.

boost students' confidence

TSPA Safeguarding Bulletin

March 2024

Welcome to The Stockwood Park Academy safeguarding bulletin!

This is our safeguarding bulletin where you can find many relevant mental health resources and advice such as how to ensure children are safe online, current issues such as vaping, healthy relationships and much more. Our aim is to provide valuable information for parents/ guardians to relevant concerns impacting children today, along with offering support, guidance and helpful knowledge.

Social media age limits

The age of your child as well as their developmental stage and maturity can affect their ability to have a safe and positive experience of social media.

Most of the popular social media services require users to be at least 13 years of age before they can register, although some sites are created especially for children under 13 (see Internet Matters' [Social networks made for children](#)).

The age requirements are there because of data protection laws. Online services are not allowed to collect or store children's personal information if they are under the age of 13. Data protection laws also say that only children aged 13 and over can sign up to online services without parental permission.

What can you do?

- Check out the social media site or app.
- Take time to be proactive
- Be a great role model
- Set time limits on children's phone
-

Age limits for popular social media sites: Snapchat, TikTok and Instagram is 13

If you feel you need any help then please contact us by phone, in person or by emailing us on safeguarding@thesharedlearningtrust.org.uk

Managing Healthy Relationships

Free workshop for parents

Luton

Central
Bedfordshire

**Find your local
children's centre**

This two-part workshop will help parents and carers identify how arguments start within relationships, what can make arguments escalate and the impact this can have on children.

The programme will also explore healthy ways to manage disagreements and how couples can communicate effectively in their relationship.

This workshop is funded by the Reducing Parental Conflict agenda across Central Bedfordshire and Luton.

The workshop will:

- Help to identify how disagreements start
- Help to identify how disagreements impact ourselves and our children
- Help to identify helpful and harmful behaviours during arguments
- Provide valuable resources to take home

To join a programme, contact your local Children Centre for times and dates.

A great place to live and work.

TSPA 's Reading

We are excited to announce the arrival of our new Book Rewards Vending Machine!

To reward students and promote the love of reading, we have invested in a TSPA Book Reward Vending Machine.

Students have already started to receive tokens to exchange for a brand new book to read and keep.

There are many ways that students can be rewarded with a token, including:

- Top achievement points in Year Groups
- Top Gold Ticket achievers in Year Groups
- Top Emerald Ticket achievers in Year Groups
- Sparx Reader achievements
- HOY Valedictorian Awards
- Graduation from interventions
- HOY/Pastoral Team nominations for rewards
- Heads of Faculty nominations for rewards
- Plus more!

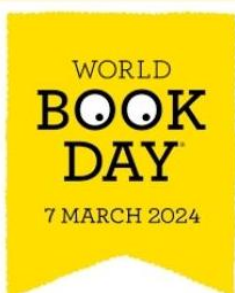

At TSPA, we are passionate about reading and have created a number of opportunities for children to read widely and often.

- **Sparx Reader:** an online reading platform to develop independent reading for all abilities.
- **Just Read:** every student reads at least twice a week with their form.
- **Fresh Start:** our successful intervention programme that has supported over 120 students to catch up with their reading. On average, students have increased their reading age by 23 months.
- **Reading Stars:** students selected to read novels with 6th form readers
- **Visiting book fairs:** last term students were able to purchase books from our Schooltastic visiting book fair. Our next fair is planned for April 2024
- **Book events:** World Book Day on 7th March will be celebrated at the academy

TSPA Celebrates World Book Day 2024: Thursday 7th March

To promote reading for pleasure and to mark the annual celebration of books, a range of activities will be taking place:

- World Book Day themed lunch menu
- 100 Book Vending Machine tokens available for rewards
- Masked reader competition in Tutor Time
- Every child and young person will receive a £1 off book voucher.
